

The Intermediate Maths Challenge results have arrived! 22 of our pupils have achieved a certificate - split equally between silver and bronze.

A summary below and spreadsheet attached so class teachers can inform their pupils of the winners and individual scores if requested. 47 points needed for a bronze.

Best in school: Harry Collins (Year 10)

Best in Year 11: Callum Shea

Best in Year 9: Kaitlyn Harvey

5 out of the 6 Year 9 pupils entered, achieved a certificate. Silver for Chris Vickers, bronze for Fabian Meads, Joseph Davies and Evan Goldstone.

In Year 11, silvers for Daniel Grimsey and Toby Chan.

In Year 10, silver for David Chen, Rory Taylor, Alex Thomas & Joshua Marks and bronze for Isabel Hopley, Megan Lawrence, Tia Westbrook, Matilda Tucker, Max McIntyre, Ben Corlett, Alex Finch & Dylan Aldridge.
