Use this sheet to help you create your Shield Design.

Start with a shield at the centre and add images of some of your favourite things around the edges. Look at the questions and think about some of your favourite things. You may want to include a banner on your design with your name or a saying/phrase you like.

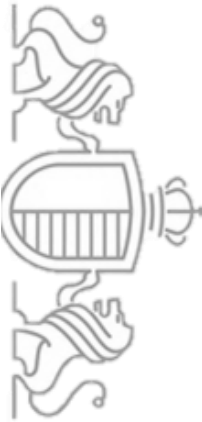

1. MANTLING
In Medieval times, scrolls symbolized the flowing fabric in a knight's cape

2. SHIELD ELEMENTS
We adorned the shield with the couple's custom monogram

3. FAMILY MOTTO
The names formally represent the joining of two families

4. SUPPORTERS
Traditional coats of arms feature animals or birds on either side

Here is some inspiration for you to look at.

You may want to create your COAs into something different to a cardboard 3D Relief.
