# Timeline

# What are the different choices?

## A-Levels

Academic Classroom  
Learning  
Different Subjects

## T-Levels

Focuses on one Subject  
More practical  
Work Placement

## Apprenticeships

Learn alongside a real  
career  
6 Hours off the Job  
Dedicated Learning  
Coach

## BTEC

Combine practical  
learning and theory.  
Specialist work-related  
qualification.

An apprenticeship is a paid job where the employee learns and gains valuable experiences.

# What is an apprenticeship?

Apprenticeships  
around 1 – 6 years

Opportunity to  
work alongside  
experienced staff

Gain industry  
recognised  
qualification

Practical training on  
the job, combined  
with scheduled off  
the job study time

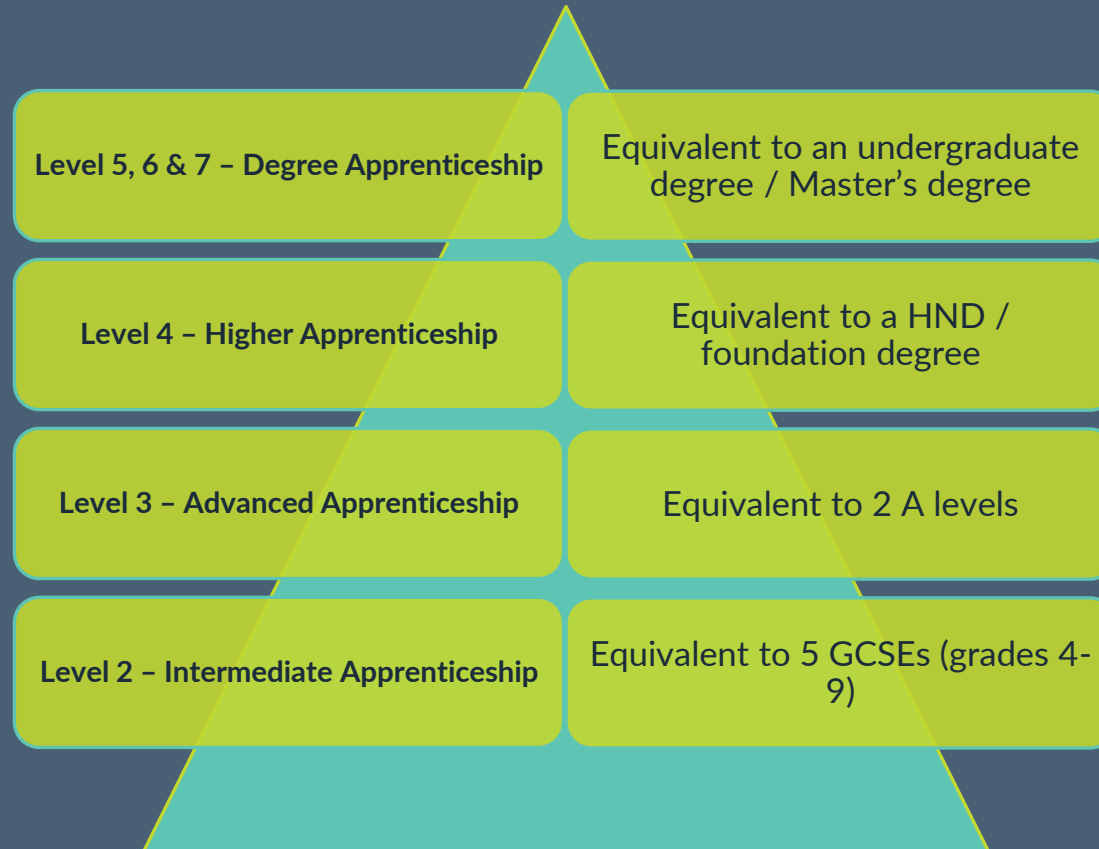

6 hours a week off  
the job training

An employer who is  
looking to invest in  
their apprentice to  
develop a specific skill  
set

Paid a salary

Progress up to  
degree level  
education

# Education levels

# Apprenticeship standards

There are around 800 different approved apprenticeship standards in the UK

Doctor

Photographer

Journalist

Sports Coach
